

2008-2011 School Board Resource Directory

The Resource Directory is a valuable reference volume for all school board members. It contains over 130 pages of up-to-date information on the roles, responsibilities, procedures, and techniques for operating a school district that every board member should know. The Directory is a clear and concise manual that covers topics such as board standards, preparing for negotiations, Vermont's open meeting law, reaching consensus, and more.
