

2025-26 Strategic Plan

Goals & Objectives

Engagement: Increase and improve engagement with members and interested parties.

Objective 1.1 - Increase engagement with local school board members.

Objective 1.2 - Engage with other interested parties.

Systems and Resources: Provide relevant and timely systems, resources, and professional development for school boards and individual members.

Objective 2.1 - Provide relevant and timely information, resources, and professional development for school board members and boards.

Objective 2.2 - Improve and promote Essential Work of Vermont School Boards

Advocate for Public Education: Inform members of legislative activity and advocate in support of school boards and the advancement of educational equity.

Objective 3.1 - Keep school board members informed of legislative activity.

Objective 3.2 - Effectively represent VSBA's positions and resolutions in state policy decisions.

Objective 3.3 – Support local school boards' ability to attain proficiency in governance standards.

Model Policy: Strengthen our position as the trusted resource for recommended education policy.

Objective 4.1 - Be the trusted resource for school district model policies.

Objective 4.2 - Provide and promote equity lens tools in policy development and review.
